

The Sequatchie Valley Institute Invites you to join us at Moonshadow for an OPEN HOUSE - WILDFLOWER HIKE

Join the Sequatchie Valley Institute staff and friends and the ragwort, dwarf buckeye, phlox, bloodroot, trout lily, trilliums, wild geranium, dogwoods and more in the beautiful Sequatchie Valley for two spring wildflower hikes

Saturday, March 29, 2008

The hikes will be accompanied by expert naturalists. We will begin hiking at 11 am Central time. There will be a choice of a long, strenuous hike deep into the Gulf, or a shorter, more relaxed walk. Plan to take lots of pictures! You are welcome to come early to visit our gardens, hand-crafted homes, and crafts gallery, which will be open for purchases of fine nature-based crafts produced by our staff, and specialty books. Plan to bring a picnic lunch to eat at one of our beautiful picnic areas in the woods.

A donation of \$5 will be used for our non-profit educational programs.

For directions to SVI, which is located in the Cartwright community just off Hwy 28 half-way between Dunlap and Whitwell, or for more information, contact us at 423-949-5922, or email Carol-kimmons@utc.edu or go to www.svionline.org.

Sequatchie Valley Institute is a nonprofit organization whose mission is to offer society an opportunity to experience and learn about living in harmony with nature by providing:

- education, art and research opportunities, land conservation & restoration
- a dynamic model residence and learning center
- a vision for attaining a sustainable future
